## Puts O. K. on Bill of Fare

The Downcast Dyspeptic Takes Stuart's Dyspepsia Tablets After Eating and His Stomach Is Now a Twelve-Cylinder Racer.

The mid-time grouch is now a sunny Jim. Instead of feeling dull, stupid, irritable and dizzy after eating, he takes a Stuart's Dyspepsia tablet and feels active, good natured and full of "pop." He puts his O. K. on the entire bill of fare; everything is good from the soup to the cheese and sets song and comfortable.

Once you learn the remarkable action of Stuart's Dyspepsia Tablets in digesting food quickly and overcoming gasiness, heartburn, sour risings, lump in your throat, gagging and the other distresses of indigestion you'll never go back to a meal without the slightest distress. Get a 50-cent box at any drug store and join the throng of live ones who are doing their bit and doing it again overtime.—Adv.
